The Honorable Ron Wyden, Ranking Member
Finance Committee
United States Senate
221 Dirksen Senate Office Building
Washington, DC 20510-3703

Dear Senator Wyden:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I urge you to support bringing to a vote in your committee **S. 578, the Home Health Care Planning Improvement Act of 2015.**

The NRLN believes that Medicare beneficiaries should have access to home health care by allowing physician assistants, nurse practitioners, clinical nurse specialists, and certified nurse midwives to order home health services. These professional men and women play increasingly important roles in the delivery of health care, particularly in rural and underserved areas of our nation.

The Home Health Care Planning Improvement Act would remove the needless delays in getting Medicare patients the home health care they need simply because a physician is not available to sign the form required by law.

If you or your staff have questions about why passage of S. 578 is important to NRLN members, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
