August 12, 2015

The Honorable Orrin G. Hatch, Chairman
Finance Committee
United States Senate
104 Hart Senate Office Building
Washington, DC 20510-4402

Dear Chairman Hatch:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for the Finance Committee's passage of **S. 1362**, the **Program of All-Inclusive Care for Elderly (PACE) Innovation Act of 2015** that led to the Senate passing the bill on August 5, 2015.

S. 1362 is important to retirees because it will allow the Department of Health and Human Services to conduct pilot programs to enable more seniors with chronic conditions to participate.

As you know, the pilot programs will coordinate health and long-term services and supports for individuals 55 or older who qualify for nursing home care. These individuals have been diagnosed with a complex mix of chronic illnesses and functional or cognitive impairments, such as dementia, that inhibit their ability to live independently. For most participants, the comprehensive service package will enable them to remain in the community rather than receive care in a nursing home. Financing for the program is capped, which allows providers to deliver all services participants need rather than only those reimbursable under Medicare and Medicaid fee-for-service plans.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
