March 20, 2015

The Honorable James B. Renacci
U.S. House of Representatives
328 Cannon House Office Building
Washington, DC 20515-3516

Dear Representative Renacci:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for reintroducing H.R. 290, the Creating Access to Rehabilitation for Every Senior (CARES) Act of 2015. The NRLN agrees with you that it is important to eliminate the 3-day “inpatient” hospital stay requirement for Medicare beneficiaries who are in need of skilled nursing facility (SNF) services.

As you know, many times seniors are unaware of their inpatient or outpatient status while in the hospital and are often surprised to learn they are responsible for paying thousands of dollars for SNF services that Medicare will not cover because the 3-day “inpatient” requirement was not met. The NRLN has a number of stories from its members that attest to this.

If the NRLN can help gain the passage of H.R. 290, please contact me or Marta Bascom, the NRLN’s Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

The NRLN’s full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
