The Honorable Peter J. Roskam
U.S. House of Representatives
2246 Rayburn House Office Building
Washington, DC 20515-1306

Dear Representative Roskam:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for re-introducing the Preventing & Reducing Improper Medicare Expenditures (PRIME) Act of 2015 (H.R. 818).

The NRLN commends you and Representative John Carney for your efforts to combat waste, fraud, and abuse in Medicare and Medicaid by fraudsters and improper payments. The NRLN is an advocate for protecting Medicare and the PRIME Act would help ensure that Medicare's resources go to the intended beneficiaries and not criminals who take advantage of the system.

The Secretary of Health and Human Services (HHS) should be held accountable for implementing the fraud prevention and other cost saving features of the PRIME Act.

If the NRLN can help gain the passage of H.R. 818, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

Thanks again for re-introducing the PRIME Act.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

Bill Kadereit

President, National Retiree Legislative Network
