The Honorable Pat Roberts
United States Senate
109 Hart Senate Office Building
Washington, DC 20510-1605

Dear Senator Roberts:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for reintroducing S. 258 the Critical Access Hospital Relief Act which would remove the 96-hour precertification requirement for patients at Critical Access Hospitals.

It is unrealistic to put an arbitrary limit of 96 hours that patients can stay in Critical Access Hospitals and expect physicians to be able to predict the unknown when admitting a patient. It makes sense that S. 258 should be enacted to remove the “condition of payment” for Critical Access Hospitals that requires a physician to certify upon admission that each patient will be discharged or transferred in less than 96 hours.

I am pleased to see that S. 258 already has 23 bipartisan cosponsors from across the nation and the companion bill, H.R. 169, has 38 bipartisan cosponsors in the Senate.

If the NRLN can help gain the passage of S. 258, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
