June 18, 2015

The Honorable Jim Renacci
U.S. House of Representatives
328 Cannon House Office Building
Washington, DC 20515-3516

Dear Representative Renacci:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for sponsoring **H.R. 1343 – Establish Beneficiary Equity in the Hospital Readmissions Act of 2015.**

The NRLN agrees with you and Representative Eliot Engle that it is critical that the Hospital Readmission Reduction Program's unfair and misguided penalty structure be addressed so that the program no longer takes resources from hospitals that serve low-income populations.

Also, **H.R. 1343** needs to be passed in order to require CMS to exclude certain categories of patients whose frequent hospitalizations are often clinically necessary or can be attributed to outside factors or the patient's refusal to comply with his or her physician's recommended medical treatment.

I have also sent a thank you letter to Representative Engle and I have expressed the NRLN's appreciation to Senator Rob Portman and Senator Joe Manchin for introducing S. 688, the companion legislation in the U.S. Senate.

If the NRLN can help gain the passage of **H.R. 1343**, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
