The Honorable Eliot Engel  
U.S. House of Representatives  
2462 Rayburn House Office Building  
Washington, DC 20515-3216

Dear Representative Engel:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for introducing H.R. 605, the Medicare Home Infusion Site of Care Act of 2015.

The NRLN believes as you do that Medicare beneficiaries who need intravenous medications should be able to receive their infusion treatments in the comfort and convenience of their homes.

As you know, Medicare coverage of home infusion therapy would save taxpayers at least \$80 million over 10 years, according to Avalere Health, a nationally recognized health care consulting firm.

I have also sent a letter to Senator Johnny Isakson thanking him for introducing S. 275, the companion bill. If the NRLN can help gain the passage of H.R. 605, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or [executivedirector@nrln.org](mailto:executivedirector@nrln.org).

The NRLN's full Legislative Agenda and detailed whitepapers can be found at [www.nrln.org](http://www.nrln.org). Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
