The Honorable David Valadao
U.S. House of Representatives
1004 Longworth House Office Building
Washington, DC 20515-0521

Dear Representative Valadao:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for introducing **H.R. 3779 to restrict the inclusion of social security account numbers on documents sent by mail by the Federal Government, and for other purposes.**

The NRLN shares your concern about identity theft that threatens the financial security of Americans, especially retirees who are often the prime targets. Restricting the Federal Government from including Social Security account numbers on the documents it mails would certainly help to prevent criminals from getting their hands on the numbers.

If the NRLN can help gain the passage of **H.R. 3770**, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

Bill Kadereit, President
