The Honorable Lamar Alexander, Chairman
Health, Education, Labor and Pensions Committee
United States Senate
455 Dirksen Senate Office Building
Washington, DC 20510-4206

Dear Chairman Alexander:

The National Retiree Legislative Network (NRLN) that
represents more than 2 million retirees urges you to
call for a vote in the Health, Education, Labor and
Pensions Committee on **S. 1566, the Cancer Drug
Coverage Act of 2015.**

The bill is important because it would require health
insurance plans that cover traditional chemotherapy
provide equally favorable coverage for orally-
administered anticancer medications.

Insurance coverage for cancer treatments must keep
up with innovation. Many patients are now using
promising oral treatments but are forced to pay
astronomical out-of-pocket costs or forgo treatment
altogether.

The NRLN's full Legislative Agenda and detailed
whitepapers can be found at www.nrln.org. Your
consideration on these issues would also be
appreciated.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
