The Honorable Kirsten Gillibrand  
United States Senate  
478 Russell Senate Office Building  
Washington, DC 20510-3205

Dear Senator Gillibrand:

The National Retiree Legislative Network (NRLN) that represents more than 2 million retirees was pleased when you introduced **S.2214, Cody Miller Patient Medication Information Act**, on October 28, 2015. We are disappointed that the Senate Health, Education, Labor and Pensions Committee has not passed the bill.

If there is anything the NRLN can do to help gain the Committee's vote on the bill, please let me know.

It is unfortunate that currently information on a prescription is not subject to any binding standards, which often results in inconsistencies and incomplete, confusing information that makes it difficult for patients, particularly seniors, to understand. Passage of your bill is important because it would require the information that is given to patients when they pick up their prescriptions to be standardized and consumer-friendly.

I have send a letter to Senator Elizabeth Warren to thank her for joining you to introduce S. 2214 .

The NRLN's full Legislative Agenda and detailed whitepapers can be found at [www.nrln.org](http://www.nrln.org). Your consideration on these issues would also be appreciated.

Sincerely,

Bill Kadereit, President  
National Retiree Legislative Network
