The Honorable Shelley Capito
United States Senate
172 Russell Senate Office Building
Washington, DC 20510

Dear Senator Capito:

The National Retiree Legislative Network (NRLN) that represents more than 2 million retirees is pleased that you introduced **S.413, Improving Transparency and Accuracy in Medicare Part D Spending Act**. Thank you for introducing this important bill. We hope the Senate Finance Committee will pass the bill soon.

If there is anything we as advocates for retirees and your bill can do to help move the bill forward please let me know.

Passage of **S. 413** is important because it would ensure community pharmacists receive reimbursement at the rate posted at the time prescriptions are filled. Retroactive fees charged by pharmacy benefit managers (PBMs) are inappropriate and make it significantly harder for pharmacists in small communities to keep their stores open.

I have also sent a letter to Representative Morgan Griffith to thank him for joining you in introducing **H.R. 1038**, the companion bill.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
