The Honorable Kirsten Gillibrand
United States Senate
478 Russell Senate Office Building
Washington, DC 20510-3205

Dear Senator Gillibrand:

The National Retiree Legislative Network (NRLN) that represents more than 2 million retirees was pleased when you introduced **S. 968, HUNTINGTON'S DISEASE PARITY ACT**, on April 16, 2015. We are disappointed that the Senate Finance Committee has not passed your bill.

If there is anything we as advocates for retirees and your bill can do to help move the bill forward please let me know.

The NRLN agrees with you there is an urgent need for the revision of medical and evaluation criteria used by Social Security Disability Insurance for Huntington's Disease.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

Bill Kadereit
