To: NRLN Grassroots Network Members  
From: NRLN President Bill Kadereit  
Subject: NRLN September Fly-In and 2011 Annual Leadership Conference

This is a message to invite you to participate in the NRLN's 2nd annual Washington, DC Fly-In September 13 - 14 for face-to-face meetings with your members of Congress and their staffs.

Why is it important to meet with your elected representatives in their Capitol Hill offices? A news article published on July 6, 2010 about a study released by the Wharton School of Business at the University of Pennsylvania points to a bleak future for retirees.

Wharton professor Olivia S. Mitchell claims that existing government and corporate retirement funding models are out of whack, putting people at risk of poverty after retirement. Mitchell says that pension plans have been vastly underfunded and have deteriorated even more so during the recent financial crisis.

The article noted that retirement system experts claim that the U.S. government is using Social Security as a cash cow to pay bills without reimbursing the fund. According to the House Oversight Committee, the government is expected to borrow over \$2 trillion from Social Security trust funds to pay for government spending over the next ten years.

We need NRLN Grassroots Network members to look their U.S. Representative and Senators in the eye and ask them what they are going to do to protect their pensions and Social Security. They also need to hear from you about how health care and prescription drug costs are eroding the retirement income of America's retirees. You need to tell them that retirees need to be treated more equitably in corporate bankruptcy courts, in payment calculations when the Pension Benefits Guaranty Corporation takes over a pension plan, and retirees need to be protected in company mergers and acquisitions.

If you think there is a fairly good chance that you would come to Washington, DC to communicate to your elected representatives the concerns of retirees, please go to [www.nrln.org/flyin.html](http://www.nrln.org/flyin.html) to register. Also make your hotel and transportation reservations:
