36. The NRLN Grassroots Network is our most important tool to influence Congress on legislation. State (Senatorial) and Congressional District Grassroots Leaders are at times called on to send letters and/or make personal contact with members of Congress. Our belief is that the most important effort comes from people in the home states where elected officials live and have to be reelected. To help the NRLN pass its Legislative Agenda, I'm willing to serve as:

	Response Percent	Response Count
a State Grassroots Network Leader	1.5%	111
a Congressional District Grassroots Network Leader	2.1%	156
I am unable to volunteer	92.8%	6,922
