The Honorable Richard Neal, Chairman
Committee on Ways and Means
U.S. House of Representatives
372 Cannon House Office Building
Washington, DC 20515-2101

Dear Chairman Neal:

On behalf of the more than 2 million retirees and future retirees represented by the National Retiree Legislative Network (NRLN), I am requesting that you call for a vote in the Committee on Ways and Means on **H.R.2898, Homecare for Seniors Act.**

H.R.2898 would make it easier for older Americans to age in place. It changes the law to allow older adults to use funds from their Health Savings Accounts (HSAs) for homecare. Under this legislation, older adults would be able to use these accounts which they've put their own money into, to pay for qualified homecare services.

In addition, the Department of Health and Human Services must carry out a campaign to increase public awareness of the in-home service expenses that are eligible for tax-free distribution from HSAs.

If you would like to learn more about why the NRLN supports **H.R.2898**, please contact me or Alyson Parker, NRLN Executive Director, on her cell phone at 813-545-6792 or executivedirector@nrln.org.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
