The Honorable Lamar Alexander, Chairman
Health, Education, Labor and Pensions Committee
United States Senate
455 Dirksen Senate Office Building
Washington, DC 20510-4206

Dear Chairman Alexander:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I urge you to bring to a vote in your committee **S. 122, the Safe and Affordable Drugs from Canada Act.**

Passage of S. 122 would spur much-needed competition in our pharmaceutical market and save individuals hundreds or even thousands of dollars a year that can be spent on other things to help our economy.

The high costs of prescription drugs are causing some Americans to skip doses or forgo filling prescriptions altogether. Americans should not have to worry about having medicines because they can't afford to pay high USA prices. Cheaper prescription drugs from Canada would come with the same safety standards and dosages as medicines being sold in the USA.

If you or your staff have questions about why passage of S. 122 is important to NRLN members, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
