The Honorable Amy Klobuchar
United States Senate
302 Hart Senate Office Building
Washington, DC 20510-2308

Dear Senator Klobuchar:

On behalf of the more than 2 million retirees represented by the National Retiree Legislative Network (NRLN), I want to thank you for introducing S. 122, the Safe and Affordable Drugs from Canada Act of 2015.

The NRLN believes as you do that Americans should be allowed to safely import prescription drugs from Canada which would create major savings for consumers by bringing greater competition into the USA pharmaceutical market.

We agree there is no justifiable reason that many Americans skip their medicines or forgo filling prescriptions because of high prices when safe prescriptions drugs can be purchased from reputable pharmacies in Canada for half the price.

I have also sent a letter to Senator John McCain thanking him for also sponsoring S. 122. And I have thanked Representatives Chellie Pingree and Dana Rohrabacher for the introduction of H.R. 2228, the companion bill in the House. If the NRLN can help gain the passage of S. 122, please contact me or Marta Bascom, the NRLN's Executive Director in Washington, DC at 703-863-9611 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
