The Honorable Jim Jordan, Ranking Member
Committee on Judiciary
U.S. House of Representatives
2056 Rayburn House Office Building
Washington, DC 20515-3504

Dear Ranking Member Jordan:

On behalf of the more than 2 million retirees and future retirees represented by the National Retiree Legislative Network (NRLN), I am writing to request that you support calling for a vote in the Committee on Judiciary on **H.R. 153, Protecting Consumer Access to Generic Drugs Act of 2021**. The bill would prohibit the practice of “pay-for-delay,” in which brand name drug companies compensate generic drug makers to delay the entry of generic drugs into the market. This practice leads to decreased competition and increased drug prices for Americans.

This bill is important because it would prohibit anti-competitive agreements for both new drugs and biological products and creates a civil penalty to further discourage “pay-for-delay” agreements between name brand drug companies and generic drug makers.

If you would like to learn more about why the NRLN supports passage of **H.R. 153**, please contact me or Alyson Parker, NRLN Executive Director, on her cell phone at 813-545-6792 or executivedirector@nrln.org.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
