The Honorable Sander Levin, Chairman
Committee on Ways and Means
United States House of Representatives
1236 Longworth House Office Building
Washington, DC 20515-2212

Dear Chairman Levin:

I am writing to thank you and your staff for taking the time on September 14th to meet with the National Retiree Legislative Network (NRLN) members from Michigan.

The NRLN is pleased that your staff continues to work with retirees to protect retirees' pension assets from misuse by companies for purposes other than those originally envisioned by Congress. We look forward to continuing to work with your staff to reach an agreement with the AFL-CIO on language which will best protect the greatest number of retirees in this country who are relying on their pensions for financial security. These difficult times for our nation's elderly demand that we do no less.

The NRLN also appreciates your support for extending the Health Care Tax Credit (HCTC) program and maintaining the level of the tax credit at the current 80% of certain health care insurance premiums, another issue of great importance to our more than 2 million members

Again, the NRLN greatly appreciates your time and effort and looks forward to meeting with you again.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
