The Honorable Anna Eshoo, Chairwoman
Subcommittee on Health
U.S. House of Representatives
202 Cannon House Office Building
Washington, DC 20515-0518

Dear Chairwoman Eshoo:

On behalf of the more than 2 million retirees and future
retirees represented by the National Retiree Legislative
Network (NRLN), I am requested that you call for a vote in
your Subcommittee on Health on **H.R. 366, Insulin Access
for All Act.**

This bill is important because it eliminates the cost-sharing
requirement, including deductibles, copayments and
coinsurance, for insulin under both Medicare and Medicaid.

Skyrocketing costs for insulin are not only causing many
Medicare and Medicaid beneficiaries with diabetes and pre-
diabetes extreme financial hardship, but numerous
untimely deaths due to insulin rationing.

If you or your staff have questions about why the NRLN
supports this bill important to America's seniors, please
contact me or Alyson Parker, the NRLN's Executive
Director in Washington, DC at 813-545-6792 or
executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed
whitepapers can be found at www.nrln.org. Your
consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
