The Honorable Michael Burgess, Ranking Member  
Subcommittee on Health  
U.S. House of Representatives  
2161 Rayburn House Office Building  
Washington, DC 20515-4326

Dear Representative Burgess:

On behalf of the more than 2 million retirees and future  
retirees represented by the National Retiree Legislative  
Network (NRLN), I am requested that you support calling  
for a vote in the Subcommittee on Health on **H.R. 366,  
Insulin Access for All Act.**

This bill is important because it eliminates the cost-sharing  
requirement, including deductibles, copayments and  
coinsurance, for insulin under both Medicare and Medicaid.

Skyrocketing costs for insulin are not only causing many  
Medicare and Medicaid beneficiaries with diabetes and pre-  
diabetes extreme financial hardship, but numerous  
untimely deaths due to insulin rationing.

If you or your staff have questions about why the NRLN  
supports this bill important to America's seniors, please  
contact me or Alyson Parker, the NRLN's Executive  
Director in Washington, DC at 813-545-6792 or  
[executivedirector@nrln.org](mailto:executivedirector@nrln.org).

The NRLN's full Legislative Agenda and detailed  
whitepapers can be found at [www.nrln.org](http://www.nrln.org). Your  
consideration on these issues would also be appreciated.

Sincerely,

President, National Retiree Legislative Network
