The Honorable Sheila Jackson Lee, Ranking Member
Subcommittee on Crime, Terrorism,
Homeland Security, and Investigations
United States House of Representatives
2187 Rayburn House Office Building
Washington, DC 20515-4318

Dear Representative Jackson Lee:

On behalf of the more than 2 million retirees
represented by the National Retiree Legislative
Network (NRLN), I urge you to support calling for a
vote in the Subcommittee on Crime, Terrorism,
Homeland Security, and Investigations on either
H.R. 878 or **H.R. 2368**. Both bills have the title of
Right to Try Act.

The NRLN supports the intent of the **Right to Try
Act** which would ensure that terminally ill patients,
together with their physicians, and pharmaceutical
manufacturers are allowed to receive drugs that
have passed the FDA's basic safety testing, but are
still working their way through the often-lengthy
process to final approval.

These bills are a companion bill to **S. 204, the
Trickett Wendler Right to Try Act of 2017**.

The NRLN's full Legislative Agenda and detailed
whitepapers can be found at www.nrln.org. Your
consideration on these issues would also be
appreciated.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
