The Honorable Paul Ryan, Speaker
United States House of Representatives
1233 Longworth House Office Building
Washington, DC 20515-4901

Dear Mr. Speaker:

The National Retiree Legislative Network (NRLN) that represents more than 2 million retirees was pleased that **H.R. 1270, Restoring Access to Medication Act**, was reported out of the Ways and Means Committee and placed on the Union Calendar (No. 234) on October 23, 2015. We believe that it is certainly time for the bill to be brought to the House floor for a vote.

H.R. 1270 is important because it would repeal a portion of Obamacare that prohibits people from using their medical savings account funds to buy over-the-counter (OTC) medications. While this would be beneficial to all Americans with a medical saving account, it would particularly help retirees living on a fixed income.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would also be appreciated.

Sincerely,

Bill Kadereit
