Contributions from Leadership PACs and individuals giving \$200 or more. This includes contributions from local in-state pharmacies.

Note: Not all U.S. Senators and Representatives are offered or take contributions.

:The number of Senators (100) or Representatives (435) may be exceeded on lists as some drop out of a race or are replaced.

: All Representatives are up for election every 2 years; Senators serve 6 years and approximately one-third of the Senate is up for election every 2 years.

If a Senator or Representative is regularly in the Top 20 Recipients of Pharma's contributions in election cycles, it is a good indication that Pharma believes he/she is in an influential position that could be important to the industry. For example, Senator Orrin Hatch was the Chairman of the Senate Finance Committee where a number of bills to reduce drug prices were held hold. In 3 of the 4 election cycles shown below, Senator Hatch (who is retired Dec. 31, 2018) received a total of \$1,085,696. Likewise, Paul Ryan, who also chose not to run, was in the top 20 and received \$941,891 since the 2012 campaign. Pharma also appears to cover presidential candidates regardless of positions.
