

Pharmaceuticals / Health Products Industry's Contributions to Members of Congress -- 2021-22 Campaign

Source: OpenSecrets.Org, Center for Responsive Politics <https://www.opensecrets.org/industries/summary.php?ind=H04&cycle=2022&recipdetail=H&sortorder=S&mem=Y&page=3>

Contributions from Leadership PACs and individuals giving \$ This includes contributions from local in-state pharmacies.

Note: Not all U.S. Senators and Representatives are offered or take contributions from Pharma.

:The number of Senators (100) or Representatives (435) may be exceeded on lists as some drop out of a race or are replaced.

: All Representatives are up for election every 2 years; Senators serve 6 years and approximately one-third of the Senate is up for election every 2 years.

If a Senator or Representative is regularly in the Top 20 Recipients of Pharma's contributions in election cycles, it is a good indication that Pharma believes he/she is in an influential position that could be important to the industry. For example, Senator Orrin Hatch was the Chairman of the Senate Finance Committee where a number of bills to reduce drug prices were held. In 3 of the 4 election cycles shown below, Senator Hatch (who retired Dec. 31, 2018) received a total of \$1,085,696. Likewise, Paul Ryan, who also chose not to run, was in the top 20 and received \$941,891 since the 2012 campaign. Pharma also appears to cover presidential candidates regardless of positions.

Pharmaceuticals / Health Products Industry's Contributions to Members of Congress and 2020 Candidates

Source: OpenSecrets.Org, Center for Responsive I <https://www.opensecrets.org/search?q=pharm>
 Contributions from Leadership PACs and individuals giving \$200 or more in the Pharmaceutical / Health Products Industry. This includes contributions from local in-state Pharmacies.
 Note: Not all U.S. Senators and Representatives are offered or take contributions from Pharma.
 :The number of Senators (100) or Representatives (435) may be exceeded on lists as some drop out of a race or are replaced.
 : All Representatives are up for election every 2 years; Senators serve 6 years and approximately one-third of the Senate is up for election every 2 years.

If a Senator or Representative is regularly in the Top 20 Recipients of Pharma's contributions in election cycles, it is a good indication that Pharma believes he/she is in an influential position that could be important to the industry. For example, Senator Orrin Hatch was the Chairman of the Senate Finance Committee where a number of bills to reduce drug prices were held hold . In 3 of the 4 election cycles shown below, Senator Hatch (who is retired Dec. 31, 2018) was received a total of \$1,085,696. Likewise, Paul Ryan, who also chose not to run, was in the top 20 and received \$941,891 since the 2012 campaign.
